

Remarks

Applicants seek entry of these claim amendments pursuant to 37 C.F.R. 1.312. With these amendments, Applicants seek to rectify informalities arising from the previous amendment. Applicants submit that these amendments do not change the scope of the claims.

Applicants also seek the Examiner's consideration of the following references:

These references were cited in the Information Disclosure Statement (IDS) filed December 11, 2007. However, in the Final Office Action dated January 8, 2008, the Examiner indicated that these references were not considered. Applicant submitted each of these references on December 11, 2007. Return of an initialed Form 1449 indicating that these references have been considered is requested.

Should any additional issues need to be resolved, the Examiner is requested to telephone the undersigned attorney to attempt to resolve those issues.

The Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

Respectfully submitted,
MERCHANT & GOULD P.C.
